

Project Linus

Providing Security Through Blankets

Help ill or traumatized children and teens by creating blankets for Project Linus. No sewing experience required. Beautiful fleece blankets can be produced without sewing. All material and sewing machines will be provided. Come and enjoy a light lunch; meet new friends, learn a new skill: Crochet, yo-yo's, machine embroidery, serge, appliqué, and more.

DATE: Saturday, November 21st

WHERE: UT-TSU Rutherford County Extension

Lane Agri-Park, 315 John Rice Boulevard, Murfreesboro
From I-24 take Exit #78A/Franklin onto Old Ft. Parkway-96W. Go 0.4 mi.; turn right on John Rice Blvd. Go 0.6 mi. Lane Agri-Park Bldg. is on the left. Proceed around to the right rear of the building. All three doors will gain entrance to the Project Linus work area.
